

Job Title: Psychologist

Erikson Institute, a graduate school in child development located in downtown Chicago, is seeking a psychologist to join the Center for Children and Families on a part-time basis. We accept applications from licensed clinical psychologists as well as psychologists looking for post-doctoral licensing supervision. The successful candidate must have previous experience working with very young children, and the ability to engage young children and their parents. Excellent writing and communication skills are required.

ROLES & RESPONSIBILITIES:

- Conducting parent interviews
- Conducting school observations of children
- Conducting developmental and psychological assessments with children between the ages of birth through eight related to child behavior issues, anxiety, depression, ADHD and other regulatory disorders, and autism spectrum and other developmental disorders.
- Report writing

QUALIFICATIONS:

- Must have previous experience working with children birth through age 8
- Must have excellent writing and communication skills
- Must be a team player
- Must be able to work efficiently
- Must have previous training administering and scoring commonly used psychological test instruments

ABOUT ERIKSON

Founded in 1966, Erikson Institute is one of the nation's leading graduate schools in child development and early childhood education. It is a private, independent, NCA-accredited graduate school offering master's degrees, a Ph.D., graduate certificates, and professional development courses in child development and early childhood education.
