

JOB TITLE: OCCUPATIONAL THERAPIST

The Center for Children and Families at Erikson Institute, is seeking to contract a part-time occupational therapist to join our Developmental Diagnostic Evaluation team. The Center, located in downtown Chicago, offers family-centered developmental diagnostic evaluations for children birth through age eight. The Center is currently looking for a qualified, part-time licensed occupational therapist to join our team as soon as possible.

Hours will be: Wednesdays from 9:00 am to 1:00 pm, with a possibility of additional time in the near future. **Start date as soon as possible.**

ROLES & RESPONSIBILITIES

- Work as a member of an interdisciplinary team.
- Complete OT evaluations of child in the context of the family to determine the need for OT services and develop appropriate recommendations.
- Complete written evaluations in a timely manner

QUALIFICATIONS

- Licensed occupational therapist-**required**
- Current early intervention OT assessment credential-**a plus**
- Excellent assessment skills of children birth to age eight in the areas of motor development and sensory integration
- Substantial experience working with children birth to age eight
- Excellent verbal and written communication skills
- Interest in working in a team setting
- Ability to manage steady work flow

ABOUT THE CENTER FOR CHILDREN AND FAMILIES

We provide family-centered assessment and treatment for children birth to age eight. Our superb interdisciplinary team of psychologists, developmental and behavioral pediatricians, social worker and speech-language pathologist specializes in addressing a wide range of **developmental, social, emotional, and behavioral** concerns in young children.
