

Erikson Institute provides a guest wireless network for short-term access that is accessible to campus guests with compatible wireless devices.

This network has no access to Erikson systems and services and is therefore not intended for use by Erikson community members.

This is an unencrypted wireless service.

Only current guests of Erikson Institute may use this service. By clicking your acceptance or by accessing or using this service, you represent that you are currently a guest of the institute and acknowledge that you have read all of the terms and conditions of this agreement, understand them, and agree to be legally bound by them.

#### EriksonGuest WiFi Terms and Conditions of Use

Welcome to the guest wireless high-speed Internet access system ("EriksonGuest WiFi") at Erikson Institute ("Erikson"). These "Terms and Conditions of Use", govern your rights and responsibilities and our rights and responsibilities relating to the use of the EriksonGuest-WiFi at Erikson.

#### Acceptance of Terms and Conditions of Use

By clicking on "Logon" on the EriksonGuest WiFi sign-up page, you represent that you have read, understand and agree to the terms of this agreement

If you do not agree to the terms of this Agreement you may not use the EriksonGuest WiFi. Your electronic acceptance of the Agreement by clicking on "Logon" on the sign-up page has the same effect as if you had actually signed the Agreement. The effective date of this Agreement is the date that you click on "Logon."

#### Description of Wi-Fi System/Service Availability

Erikson will provide access to EriksonGuest WiFi at locations ("Enabled Locations") that have been equipped with wireless access points. Access points or Enabled Locations may not be available in all areas of Erikson, and may not always be operational. The guest wireless network may be subject to periodic maintenance, unforeseen downtime, and limited availability.

Guest wireless access is provided as a free service on an "as is" basis with no guarantee of service.

#### Access to Internet

Erikson does not screen or restrict access to any content placed on or accessible through the Internet. Erikson also does not screen or restrict communications between parties via the Internet. You acknowledge that if you access the Internet you may receive or be exposed to content, goods or services which you consider to be improper, inaccurate, misleading, defamatory, obscene or otherwise offensive. You agree that Erikson is not liable for any action or inaction with respect to any such content on the Internet accessible through the EriksonGuest WiFi.

#### Your Responsibilities

Use of EriksonGuest WiFi is undertaken at the user's own risk.

You must (1) provide all equipment (including computer hardware and software, wireless network cards, etc.) to connect to the EriksonGuest WiFi, (2) comply with local, state, federal and international laws and regulations, including but not limited to copyright and intellectual property rights laws. You agree to be responsible for and to bear all risk and consequences for (1) the accuracy, completeness, reliability and/or

usefulness of any content available through the EriksonGuest WiFi and (2) all communications that you send or receive via the EriksonGuest WiFi. Erikson does not undertake the security of any data you send through the EriksonGuest WiFi and it is your responsibility to secure such data.

Erikson assumes no responsibility for the safety of equipment or device configurations, security, or data files resulting from connection to the EriksonGuest WiFi or the Internet, nor liability for any damages to hardware, software or data, however caused. It is the responsibility of the user to protect their wireless devices through use of up-to-date virus protection, personal firewall and any other suitable measures.

Erikson staff will NOT assume any responsibility for personal hardware configurations, security or changes to data files resulting from connection to EriksonGuest WiFi. It is recommended that users make a backup copy of any settings before configuring their equipment for use on EriksonGuest WiFi.

### Acceptable Use Policy

All users of EriksonGuest WiFi must comply with this Acceptable Use Policy (AUP). This AUP is intended to prevent unacceptable uses of campus network. Erikson does not actively monitor the use of the Wi-Fi System under normal circumstances.

Users must refrain from seeking to gain unauthorized access to information resources or enabling unauthorized access by others. Inappropriate uses include, but are not limited to:

- Sharing your username and passwords and permitting other individuals to access;
- Intercepting or monitoring any network communication not explicitly intended for you without authorization;
- Impersonating another individual in communication (e.g., forged email, texts, IMs, social media postings);
- Restricting or denying access to the system by legitimate users.

Use of Erikson's information resources must comply with Institute policies and legal obligations, including licenses and contracts, and all federal and state laws. Inappropriate uses include, but are not limited to:

- Using Erikson's resources for private financial gain (e.g., running a private business);
- Using Erikson's resources to conduct partisan political activities (e.g., lobbying or campaigning) where prohibited by federal, state, or other applicable laws;
- Downloading, viewing, or transmitting fraudulent, harassing, pornographic, or threatening messages or materials or materials containing ethnic slurs, racial epithets, or other content that may be construed as harassment or disparagement of others based on their race, color, religion, national or ethnic origin, gender, gender identity, gender expression, sexual orientation, marital status, age, disability, veteran status, or any other status protected by federal, state, or local laws;
- Using copyrighted or licensed digital resources without appropriate permission and/or attribution (e.g., journals, movies, music, software, games, data, etc)
- Violating the terms of use of online media forums, including social networking websites, mailing lists, chat rooms, and blogs.

Please note that Erikson acknowledges that there may be a legitimate academic or scholarly reason for downloading, viewing or transmitting certain content that in most other contexts would be violative of this policy. If such circumstances arise, please use appropriate discretion in processing such materials.

For quality assurance purposes, Erikson reserves the right to:

- Block internet services such as Peer-to-Peer and streaming video services
- Monitor usage of EriksonGuest WiFi for quality assurance purposes
- Limit bandwidth on EriksonGuest WiFi
- Take any additional measures deemed necessary by Erikson in its sole discretion

Erikson may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrong. Violation of this AUP may result in the suspension or termination of your access to EriksonGuest WiFi.
