

Common Core Standards and Early Childhood Education

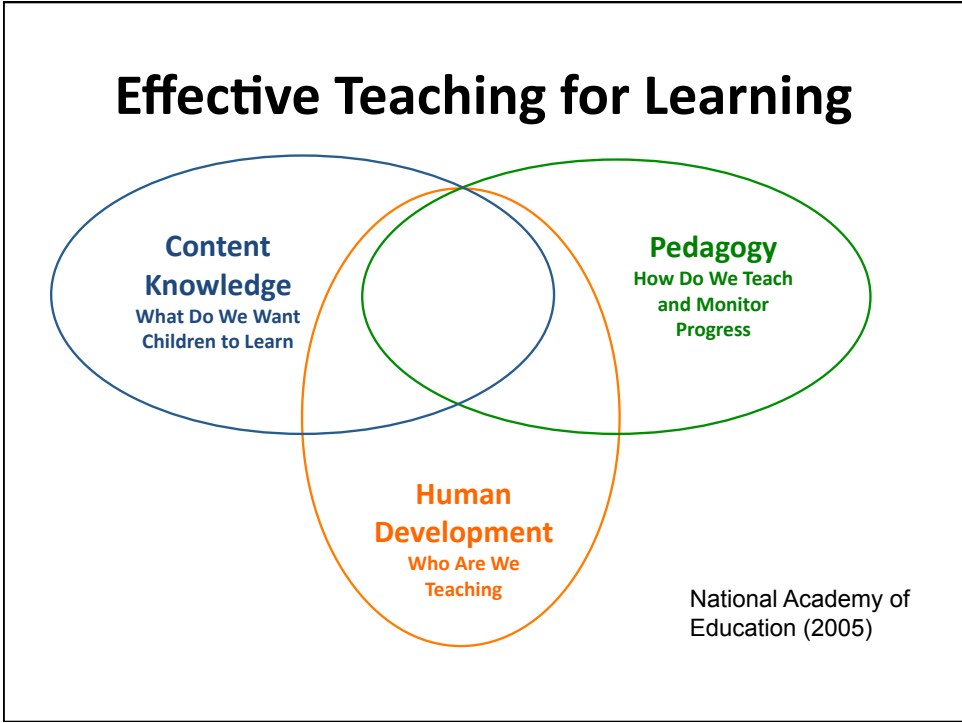

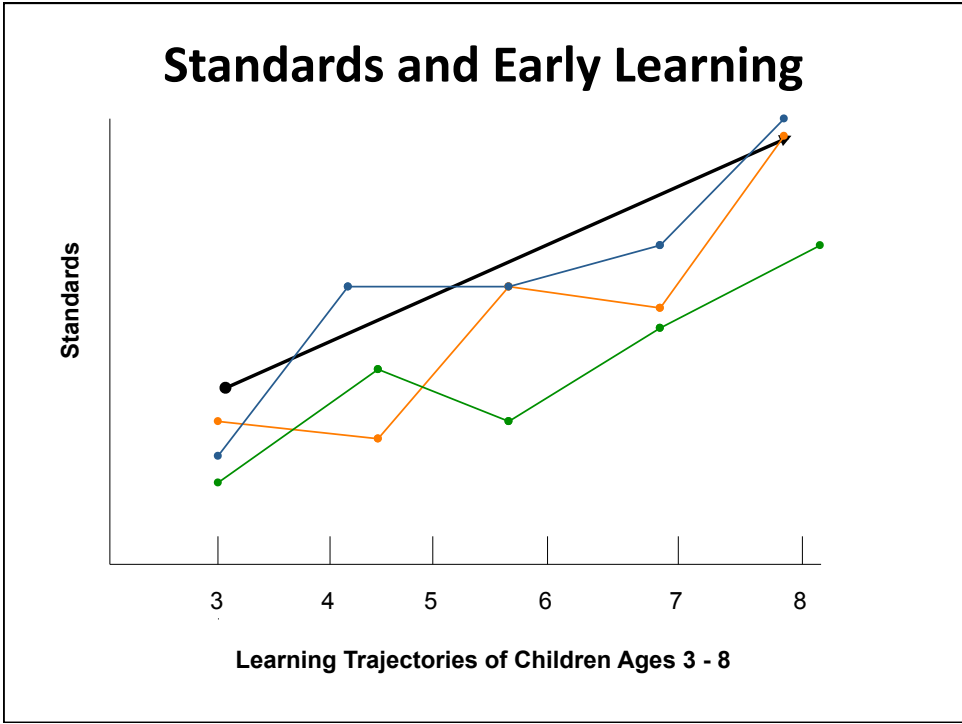

Gillian D. McNamee, Ph.D.

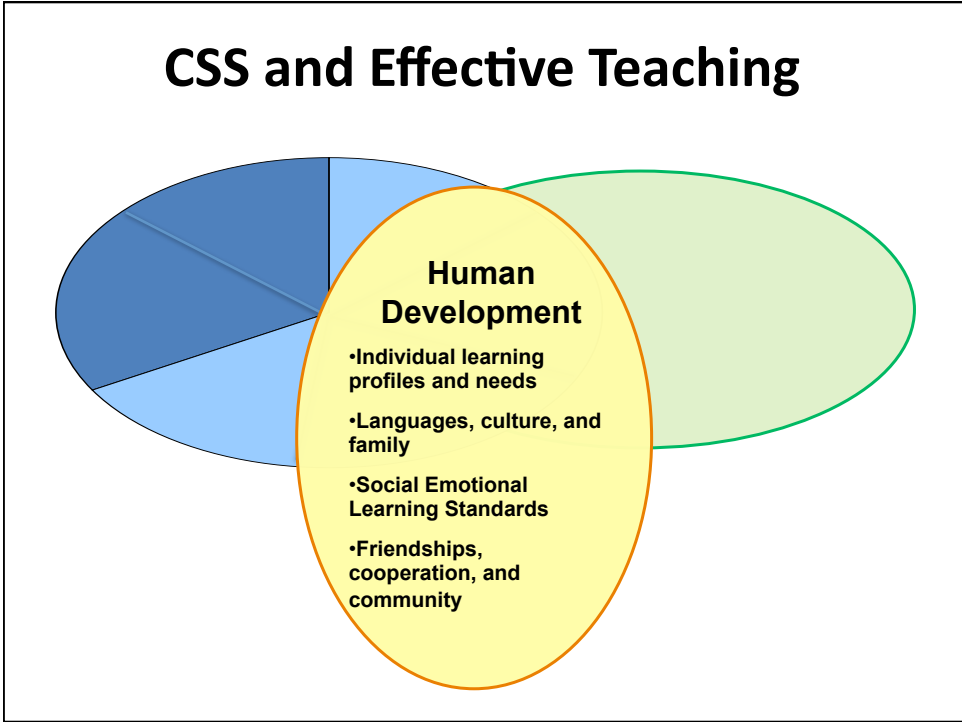

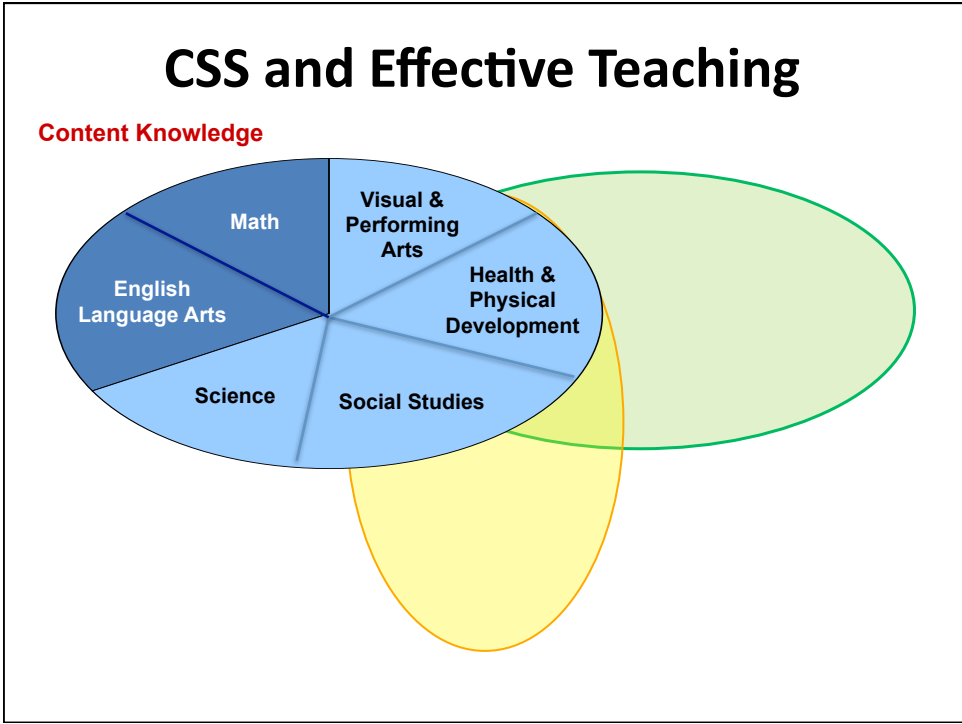

Early Learning Standards

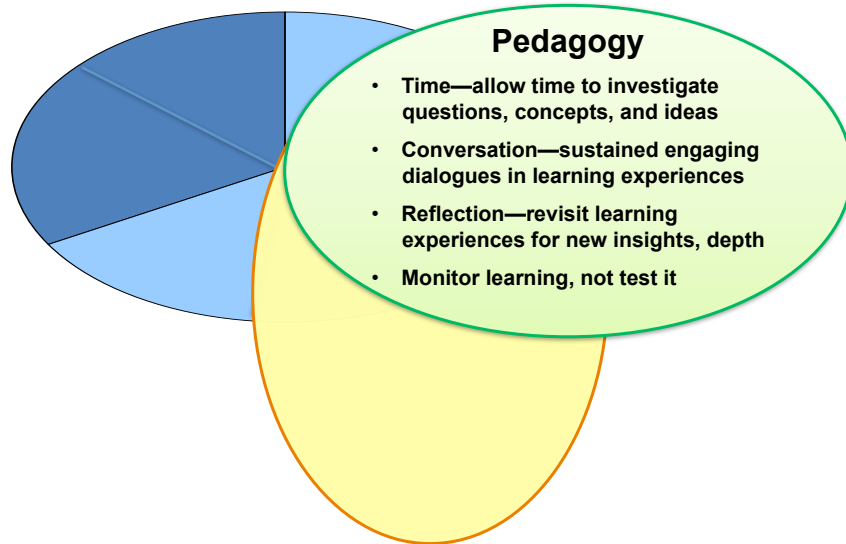

- The first link in an aligned "P – 12" educational system
- Early childhood education works
- Preschool benefits tend to fade
- Need for sustained high-quality teaching practices across early childhood years (pre-k to 3rd)

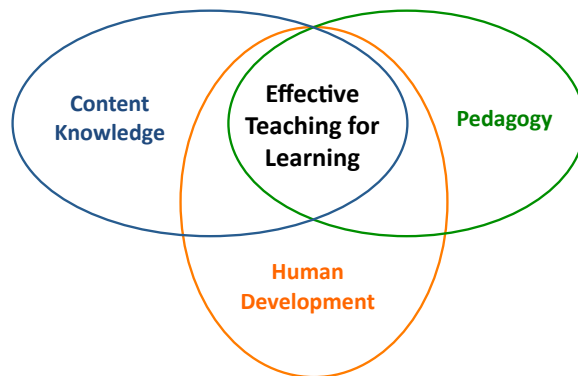

CSS and Effective Teaching

Summary

- Develop and fine tune standards in all three components of effective teaching and learning
- Use standards to inform and support (not attack and dictate) powerful teaching and learning
