President/CEO

Created a business model for supporting students through clinical supervision. Established community partnerships to provide counseling services to youth and their families at a reduced cost. Consulted at various social service agencies, schools and Head Start programs to increase awareness and competency in the provision of infant mental health services. Hired and managed staff and consultants. Collaborated with Home Visitors in the Parents as Teachers (PAT), Maternal, Infant, and Early Childhood Home Visiting (MIECHV) and Healthy Families (HFI) program staff for the purpose of service provision and to help review Federal and State service requirements, enabling the projects to continue to receive funding. Trained Home Visiting Staff in various curricula, including but not limited to: Mothers and Babies, Fussy Baby, 4 Ps, and Futures without Violence. Provided home-based clinical mental health services and completed Parenting Capacity Assessments (PCA) for the Illinois Department of Children and Family Services (DCFS). Helped develop a Diversity, Equity and Inclusion (DEI) strategic plan for multiple organizations. Conducted program evaluations to help assess the efficacy of government- supported programs and ensure compliance with funding requirements for state and federal audits. Served as a reflective supervisor and credential cohort facilitator for the Illinois Association for Infant Mental Health. Provides direct clinical services to women, children and families. Mental Health Consultant. Subject Matter Expert (SME) and Program Strategist for local, national and international organizations, including the Illinois Department of Human Services (IDHS), African Global Mental Health Institute (AGMHI) and the National Board for Certified Counselors (NBCC). Speaker on topics concerning Infant and Early Childhood Mental Health, Ethics, Self-Care, Leadership, Mental Health in Ministry, and Diversity, Equity and Inclusion.
